**Brief CV:** Bernard McCartan is a consultant in oral medicine in the Dublin Dental Hospital and the City of Dublin Skin and Cancer Hospital. He is a former President of the Irish Dental Council. His clinical interests are lichen planus and orofacial granulomatosis. His research interests include aetiology of oral cancer (the [ARCAGE](#) project), lichen planus, orofacial granulomatosis and dental education.

Professor McCartan is also the Director of Specialist Training in Dentistry for the [Irish Committee for Specialist Training in Dentistry](#) at the Royal College of Surgeons in Ireland and is a member of the Steering Council of [IVIMEDS](#) (the International Virtual Medical School). He is chair of the Health Sciences Curriculum Committee in Trinity College. He is a member of the British Society for Oral Medicine, The British Society for Oral and Maxillofacial Pathology, the European Association of Oral Medicine and the American Academy of Oral Medicine.
